This certificate reflects the status of the premises at the time of the inspection noted above and should not be relied upon to reflect the compliance status if more than five years have elapsed since the date of that inspection. However this period of validity may be reduced using regulatory risk management principles, by an entry in the Restrictions or Clarifying Remarks field.

This certificate is valid only when presented with all pages.

The authenticity of this certificate may be verified in MHRA-GMDP. If it does not appear please contact the issuing authority.

Any restrictions or clarifying remarks related to the scope of this certificate(For All Users):

In accordance with the MHRA risk-based inspection procedures this site, which was the subject of a new wholesale distribution authorisation application, will be re-inspected within 24 months of the initial inspection. This certificate should not be relied upon to reflect the compliance status if more than 24 months have elapsed since the date of that initial inspection. This certificate is issued based on a remote inspection of GDP compliance during COVID-19 travel restrictions. A risk-based site inspection programme remains in force.
